

# Happy Anniversary, ITACAT!

## The Next 10 Years... What the Future Held

2020 Family Law Fall CLE

---

**Friday, September 11, 2020**  
**Live Webcast**

**North Carolina: 6.00 MCLE Hours**

**Qualifies for North Carolina State Bar Family Law Specialization**

**Planned by the NCBA Family Law Section**

Join family law practitioners from across North Carolina to celebrate the 10-year anniversary of the 2010 international award-winning CLE, *Isn't There a Case About That? (ITACAT!) 50 Critical Family Law Cases to Know*, which covered the 50 most significant cases in family law.

The 2020 anniversary edition features several of the original 2010 speakers, as well as some fresh faces. They take us through the landmark cases that are the foundation of family law and move us into the present, exploring the important changes, developments and cases that have occurred in the past 10 years.

# Happy Anniversary, ITACAT!

## The Next 10 Years... What the Future Held

FRIDAY, SEPTEMBER 11, 2020

8:55 am – 4:20 pm

### 8:55 **Welcome and Introductions**

### 9:00 **How It All Began**

#### **Bloom and Vitale**

Start the day off with the history of this international award-winning CLE. Review the expansion and funding of family court as well as alternative dispute resolution as it relates to family law.

### 9:15 **Break**

### 9:25 **Alimony and Postseparation Support**

#### **Coltrane and Morgenstern**

Listen to speakers from the 2010 program as they review the key changes and developments in alimony and postseparation support.

### 10:10 **Break**

### 10:20 **Big Changes**

#### **McCroskey and Tuorto**

Dive into the major changes of marital law, including same-sex marriage, divorce and domestic violence, as well as tort claims, including alienation of affection, criminal conversation, cyberbullying and revenge porn. Walk through procedural changes around necessary and permissive third-party actions, expert disclosure, production of e-discovery and reference for referees.

### 11:20 **Break**

### 11:30 **Child Support**

#### **Hunter and Quinn**

Hear updates and new developments in child support cases from the same speakers who brought you this information 10 years ago.

### 12:15 **Break**

### 12:25 **Child Custody**

#### **Gelb and Godwin**

Explore pivotal cases involving child custody and their impacts for family law practitioners.

### 1:10 **Lunch Break**

### 1:40 **Equitable Distribution**

#### **Jenkins and Kober**

Review important cases in equitable distribution, such as necessary versus permissive party to the action, including corporation trusts. Discuss fraudulent transfer, constructive trust, resulting trust and 529 plans.

### 2:55 **Break**

### 3:05 **Contracts, Consent Orders and Enforcement**

#### **Grace and Jackson**

Delve into different family law contracts, including pre-nuptial, post-nuptial and separation agreements. Review judgments, required findings for attorney's fees and court orders, including breach of contract and contempt.

### 4:20 **Adjourn**
